“Highly Recommended”

2008 Faust Cabernet Sauvignon

“Agustin Huneeus (Quintessa) started this label in part to harness vineyards in Napa's emerging Coombsville region, and the delicacy here signals that area's potential for less-ripe, less in-your-face fruit. Sweet spice (think allspice) amid a slightly juicy profile - cassis and raspberry, with an orange-like tang. Fulfilling, in a less obvious way.”
